A2LA Accredited to ISO 17025

The following items are covered on our scope, certificate number 1672.01
(see scope for complete details):

LAB SERVICES • Calipers • Micrometers • Indicators • Durometers •
• Gage Blocks up to 20" • Durometers • Rulers •
• Indicator Calibrators • Pin Gages • Thread Plugs •
• Cylindrical Plugs • Cylindrical Rings •

FIELD SERVICES • Optical Comparators • Hardness Testers •
• Supermike Micrometers • Surface Plates •
• Metallurgical Scopes • Toolmakers Microscopes •

WHY CHOOSE AN ACCREDITED LAB? A2LA AND NVLAP ACCREDITED
LABS ARE INTERNATIONALLY RECOGNIZED AND HAVE BEEN AUDITED FOR
TECHNICAL COMPETENCE IN THE FOLLOWING AREAS:

- THE QUALIFICATIONS, TRAINING AND EXPERIENCE OF THE STAFF
- THE RIGHT EQUIPMENT — PROPERLY CALIBRATED AND MAINTAINED
- ADEQUATE QUALITY ASSURANCE PROCEDURES
- VALID TEST METHODS
- TRACEABILITY OF MEASUREMENTS TO NATIONAL STANDARDS
- ACCURATE RECORDING AND REPORTING PROCEDURES

- All Standards are Traceable to N.I.S.T.
- A2LA Accredited to ISO/IEC 17025 Since 2001
- Compliant with ISO/IEC 17025, ISO 9002, ISO 10012-1, ANSI Z540-1, AS-9001, D1-9000 and former MIL-STD-45662a
- Written Quality Assurance Manual, Quality Procedure Manual and Calibration Procedure Manual
- Preventative Maintenance Included in Calibration (where applicable)
- Lab & Field Calibration Services
- Recall System
- Low, Competitive Prices
- Expedite Services Available
- Temperature Controlled Laboratory
- Family Owned & Operated for Over 30 Years!
